

# WANT TO SHAPE THE FUTURE OF MENTAL HEALTH SERVICES?

*The CLHS is seeking family members to guide improvements in its early intervention programs.*

*There are various ways you can get involved!*

## Available opportunities:

*Join a lived experience advisory council*

*Brainstorm with researchers, clinicians, trainers, peer specialists and others*

*Paid consultation on research projects*

*Share art, music, stories, profiles etc.*

*Sign up to receive research, feedback, and leadership opportunities*

*If you are ready to explore ways to get involved, fill out this short survey!*
